the Virginia circuit.

This statement shows that in three id a half months the sum of \$6,00.82 as paid in salaries to players, in addition to an item of \$788.03 charged to try outs. The experience of the ristol association in attempting to ovide an article of ball more easily an its resources could stand for ands out in boid relief in the statement. The gate receipts during the sason aggregated \$5,910.25 at home and \$2.55 on the road. This shows that is team paid for salaries and try outs iring the 1912 season nearly \$1,200 more and the roal drawing strength at home and abroad.

Of course the treasury was short in the course of such a condition and it was to be specified, so another item shows the socilation got \$1.83 from miscellanes collections, presumably donatione one 120 degree bugs, while \$659 was borwed in bank, and when the flag had en gathered in the association founds we they are trying to not only get addy for another season, but to make and on a defluit of \$1,200 carried over om list year.
